Hi Paul,

We will take Dr. Goossen on infringement on the 8th and invalidity on the 9th. Please let us know if Dr. Goossen has a preferred start time.

Dr. Blumenthal's schedule has almost no openings due to other professional commitments and, as of this morning, his only availability is April 7th so we reserved that time on his schedule. He would like to start his deposition at 8am PST.

I am trying to get ahold of Dr. Papen to confirm that he is still available on the 16th and will let you know as soon as I hear back from him.

We will touch base with you in a separate communication regarding the damages experts. As of now, we know that Dr. Lynde has another commitment through the 9th.

Best,
John

John,

Dr. Goossen can be available for deposition on Thursday and Friday of next week (one day for infringement, one day for validity). Does that work on your end?
